

RALMP

Recognising Autism & Learning Disabilities Management Programme

The hospital can provide pathways for:

- Reasonable adjustments, e.g. patient pagers, what matters to you
- Different methods & tools for communication, e.g. social stories, visual timetables
- Information to help, e.g. RMCH A for Autism website
- Listen & making your healthcare experience better
- Training & Learning development

Autism Act 2009 / Think Autism 2016 Department of Health / Equality Act 2010
