Annual Members' Meeting 2019

Tuesday 24th September 2019 at 1.00 to 4.00pm in the Post-Graduate Centre, Oxford Road, Manchester M13 9WL

Getting here The nearest parking is in the Grafton Street multi-storey car park; you can also use the Hathersage Road car park. Disabled parking spaces are highlighted on the map.

Important information: there is a permanent change to Oxford Road between Hathersage Road and Denmark Road which prioritises buses, bikes and pedestrians. The change means drivers travelling towards the city centre must turn right at Hathersage Road between 6am and 9pm. See our website at: mft.nhs.uk/mri/patients-visitors/visitors/getting-here/ for travel options. Please note that construction of the new MFT Helipad is underway on the roof of the Grafton Street car park – follow the diversion signs to access this car park by driving from Grafton Street to Nelson Street (during the construction period, this short section of Oxford Road only, is not subject to traffic restrictions/fines are not applicable).
