This company has been trading for over 10 years. They provide private and NHS contract services for ultrasound CT and MRI across the North of England, the Midlands, and South East England (Essex / Cambridgeshire). Also health screening, DEXA, cardiology assessments and hearing testing. Since February 2009, I have been fulfilling the role of Radiology Lead for Governance of their Radiology Services, and for ongoing advice. I am paid a monthly retainer for this service. Currently it involves about 1-2 hours per month in my own time. Since February 2016, I have also been the medical lead for ultrasound and regularly check scans performed by their sonographer staff, which involves 2-3 hours per week in my own time in the evenings. The company has in the past made contact with UHSM to inquire about providing additional imaging service support, most recently with regards to ultrasound, but I was never involved directly in any discussions.
