

# Annual Members' Meeting 2021

*Team MFT: Together Caring for You*

**Tuesday 21st September 2021 – Annual Members' Meeting (AMM)** Pre-Recorded Presentations will be available to view online via our 'Annual Members' Meeting' webpage (see link below).

**We are using a virtual format again this year, to protect our members and the wider public while the coronavirus pandemic continues.**

As part of the AMM virtual meeting format, our Directors have produced a series of pre-recorded presentations which will be available for members and the wider general public to view in relation to our 2020/21 Annual Report and Accounts. An overview of MFT's activities and performance following the exceptional challenges we faced over the past year, alongside looking ahead to our plans for 2021/22. The 'Membership Report' presentation outlines the important contribution of our Governors – and the result of the recent 2021 Governor elections and nominations.

The Trust Chief Executive and I would be truly delighted if you took the time to view these films to:

- ★ Find out how our Trust is performing
- ★ Hear how we are responding to patient and staff feedback
- ★ Learn more about the latest developments and our future plans.

The views and opinions of our members and the wider general public are really important to us in shaping our services and developing our future plans. We welcome members' feedback about any of the AMM information presented. You can contact us by emailing [trust.secretary@mft.nhs.uk](mailto:trust.secretary@mft.nhs.uk) or calling 0161 276 4841. We will then collate the feedback received and post responses on our website.

Before watching the presentations you may like to take a look at our full Annual Report and Accounts, which is available at <https://mft.nhs.uk/the-trust/reports-and-publications/>

We greatly value your participation and hope you find our virtual AMM arrangements a positive engagement step forward. Your feedback helps us to continually develop our hospitals and community services and provide world-class services for both adults and children.
