

Annual Members' Meeting 2022

Team MFT: Here for You

Tuesday 20th September 2022 – Annual Members' Meeting (AMM) Pre-Recorded Presentations will be available to view online via our 'Annual Members' Meeting' webpage (see link below).

We are using a virtual format again this year, following positive responses to this approach adopted over the past couple of years.

As part of this virtual meeting format, a series of films in relation to our '2021/22' Annual Report and Accounts' and our 'Plans for the Future' will be available to view. Alongside these, a 'Membership Overview' film will also be available.

All films will be posted from 10.00am on 20th September on our 2022 Annual Members' Meeting webpage – found under the 'Members' Meeting' section of our website www.mft.nhs.uk (full AMM webpage link below).

The Trust Chief Executive and I would be truly delighted if you took the time to view these films to:

- ★ Find out how our Trust is performing
- ★ Hear how we are responding to patient and staff feedback
- ★ Learn more about the latest developments and our future plans.

The views and opinions of our members and the wider general public are really important to us in shaping our services and developing our future plans. We welcome members' feedback about any of the AMM information presented. You can contact us by emailing trust.secretary@mft.nhs.uk or calling 0161 276 4841. We will then collate the feedback received and post responses on our website.

Before watching the presentations you may like to take a look at our full Annual Report and Accounts, which is available at <https://mft.nhs.uk/the-trust/reports-and-publications/>

We greatly value your participation and hope you again find our virtual AMM arrangements a positive engagement experience for you to enjoy anywhere, anytime. Your feedback helps us to continually develop our hospitals and community services and provide world-class services for both adults and children.
