# MyMFT

Healthcare in your hands

**MyMFT** is your new online patient portal and mobile app - connecting you to your medical information at Manchester University NHS Foundation Trust (MFT). With MyMFT, you'll have more access and control over this data than ever before.

No matter which of our hospitals you attend, MyMFT means you'll have a safer, smoother and more efficient healthcare journey.

## *Why sign up?*

Patients will enjoy fast, secure access to their personal MFT health information, as well as those of relevant, consenting family members.

As a patient at MFT and a MyMFT user, you can:

-  View appointments
-  Attend virtual online consultations
-  Keep track of important medical info
-  Check-in for your appointment and more!

# Accessing MyMFT
