

# BMJ Case Reports

[BMJ Case Reports](#) is an award winning journal that delivers a focused, peer-reviewed, valuable collection of cases in all disciplines so that healthcare professionals, researchers and students can easily find clinically important information on common and rare conditions. This is the largest single collection of case reports online with more than 13,500 articles from over 70 countries.

You can access BMJ Case Reports by [logging in](#) via OpenAthens.

## Submitting your own case reports

MFT Trust Library Service has an institutional subscription to BMJ Case Reports that enables MFT staff and students on placement to submit case reports for publication, **free of charge**.

To request the **fellowship code** required, please [contact us](#)
