## Day Curve Chart

**DAY CURVE TYPE** – please state  
e.g. Hydrocortisone, Metyrapone, Growth Hormone

Please fill in below the time that any samples are taken and what they are for and the time, dose, and type of any medication taken by the patient.

### ATTENTION:

A pre-dose sample is always required

Sample number	Time sample taken	Type of medication and dose	Time medication taken
1 (Pre-dose)	:		:
2	:		:
3	:		:
4	:		:
5	:		:

**Note:** if additional samples are required then these can be sent to the laboratory as further individual cortisol requests in EPIC (only 5 samples included in DFT). Include details below.

Additional samples: YES/NO      Time sample taken:
