MyMFT

Healthcare in your hands

MyMFT is our patient portal and mobile app, connecting you to your medical information at **Manchester University NHS Foundation Trust (MFT)**.

With MyMFT, you'll have more access and control over your information than ever before. Phone and tablet users can download MyMFT as a mobile app, giving you access to your info at a time and place to suit you!

No matter which of our ten hospital sites and services you attend, MyMFT means you'll have a safer, smoother and more efficient healthcare journey.

Why sign up?

With MyMFT, patients will enjoy fast, secure access to their personal MFT health information. Parents and caregivers can also manage a dependent's care through MyMFT's **Proxy Access** feature.

As a patient at MFT and a MyMFT user, you can:

-  View appointments and letters
-  Attend video appointments
-  Keep track of important medical information, such as test results
-  Complete pre-visit tasks **and more!**

Use MyMFT on the go!

Download the 'MyChart' app, then select 'MyMFT' to get started.

Now available to download from the following app stores

Remember:
MyMFT
doesn't replace other
healthcare apps such as
Patient Access, MyGP
or the NHS app.

Your MyMFT questions answered!

What health information can I find on MyMFT?

MyMFT gives you access to medical information relating to care received at our Trust hospitals, including:

- Altrincham Hospital
- Manchester Royal Eye Hospital
- Manchester Royal Infirmary
- North Manchester General Hospital
- Royal Manchester Children's Hospital
- Saint Mary's Hospital
- Trafford General Hospital
- University Dental Hospital of Manchester
- Withington Community Hospital
- Wythenshawe Hospital

How can I use MyMFT?

To use MyMFT on your phone or tablet, download the "MyChart" app. When asked "Where do you receive your healthcare?" select Manchester University NHS Foundation Trust (MyMFT). You can also access MyMFT on a computer by visiting my.mft.nhs.uk

Do I have to use MyMFT? Will my care be affected if I don't?

No, you do not have to sign up for MyMFT and your access to care will remain a priority. We understand not everyone will want, or be able, to use an online portal. Existing non-digital forms of communication, such as paper letters will remain in place.

Can I sign up to MyMFT on behalf of my child or as a carer?

Yes, parents, relatives or carers can be given access to MyMFT to manage a dependant's care. This is called "proxy access". You can find out more by visiting www.mft.nhs.uk/mymft/proxy-access or by speaking to a member of staff at your next appointment.

Need help with MyMFT?

Contact our helpdesk team today, at mymft@mft.nhs.uk or call us on 0161 529 6000.

How to sign up?

Use an activation code (provided by MFT), or sign up online by filling in a few extra details. Scan the QR code for details.
