

Register of Gifts and Hospitality 2024/25

Employee Name	Position Title	Interest Category	Interest Situation	Interest Description	Col Date From
Afzal, Mrs. Cara Waqar-Un-Nisa (Cara)	Director	Indirect interests	Hospitality	Attended Roundtable and dinner on the eve of HPN North, Wednesday 5 March. The topic was "keeping the lights on" to transforming patient care: how can technology redefine the healthcare experience? with points for discussion including: • How can digital leaders ensure that new technologies are designed and implemented with the patient experience at the forefront, particularly to address the natural resistance to seeking treatment? • What are the most significant obstacles NHS organisations face in balancing accelerated digital transformation with staff and patient adoption, and how can these be mitigated effectively? • What role do AI and location-based services play in creating seamless patient experiences, from pre-appointment logistics to discharge and aftercare? • How can NHS digital leaders foster a culture of trust and clarity around new technologies to combat the fear of the unknown among both staff and patients?	05/03/2025

Stafford, Mrs. Faye Louise	Manager B7	Non-financial personal interests	Gifts	I am a micro-influencer/content creator in my spare time on Instagram and as a result I am sometimes gifted beauty and household products to review on my page. This is my personal social media page only and my role for NHS is entirely separate.	20/09/2024
Steer, Miss Rebecca	Programme Director	Non-financial professional interest	Gifts	I have received an offer of a ticket to the Health and Care awards from Empactis. This is because I gave the ICB some suggestions of sponsors to approach including Empactis, who are now the gold sponsor. Empactis received some complimentary tickets but have also purchased some. The value of the ticket is £84. Empactis said that they intend to buy wine for the tables. Part of the Scaling Vanguard programme that I am leading includes consideration of implementing absence management software across GM, which could be using Empactis. Though I would not be a decision maker, I would be involved in making recommendations and pulling together a business case. I have not communicated this possibility to Empactis and they do not know me personally, but I don't know what others may have mentioned.	10/06/2024
