

'Your Health Matters'

Annual Members' Meeting – 2025

Monday 29th September 2025 at 12.30pm - 5.00pm

Education & Research Centre, Wythenshawe Hospital, Southmoor Road, Wythenshawe, M23 9LT

On behalf of all my colleagues, I would like to welcome you to our Annual Members' Meeting and to emphasise how proud I am to be the Trust Chair of this amazing organisation.

Today's event focuses on how we are improving care for our patients and tackling health inequalities. Our thanks go to colleagues from across the Trust for providing the wide range of information available today and who would be delighted if you took some time to visit and talk with them. There will also be some interactive health checks and information available in the 'Activity zone' to help you stay well this winter.

A location plan showing where you can find the various stands and the different activities available today is inside this programme, with the agenda for the meeting being found on the back page.

No fire drill is planned for today, so if an alarm sounds, please follow the instructions of Trust staff and evacuate the building (follow the emergency exit signs and meet at the front of the building).

Throughout the Centre, stands are open to view from 12.30pm with presentations starting from 1.00pm in Lecture Theatre 1. You can hear from some of our clinicians about the services they lead including:

- Musculoskeletal Work Well Project
- Lung Health Checks/Cancer Screening
- Genetics and Gene Therapy
- Sleep Service
- Acute Children's Treatment Service.

At around 2.00pm, our formal presentations will begin and you can find out more about the Trust's performance and our plans for the future, these will cover:

- Review of the Annual Report 2024/25
- Highlights of the Annual Accounts 2024/25 and looking ahead in 2025/26
- Governor and Membership Report including Governor Election Results.

At the end of the presentations, there will be an open forum, where you can put your questions to our Directors.

Come and talk to us about our MFT Strategy 'Where Excellence Meets Compassion' (copy available on our website – <https://mft.nhs.uk/trust-strategy-2024-29-where-excellence-meets-compassion/>).

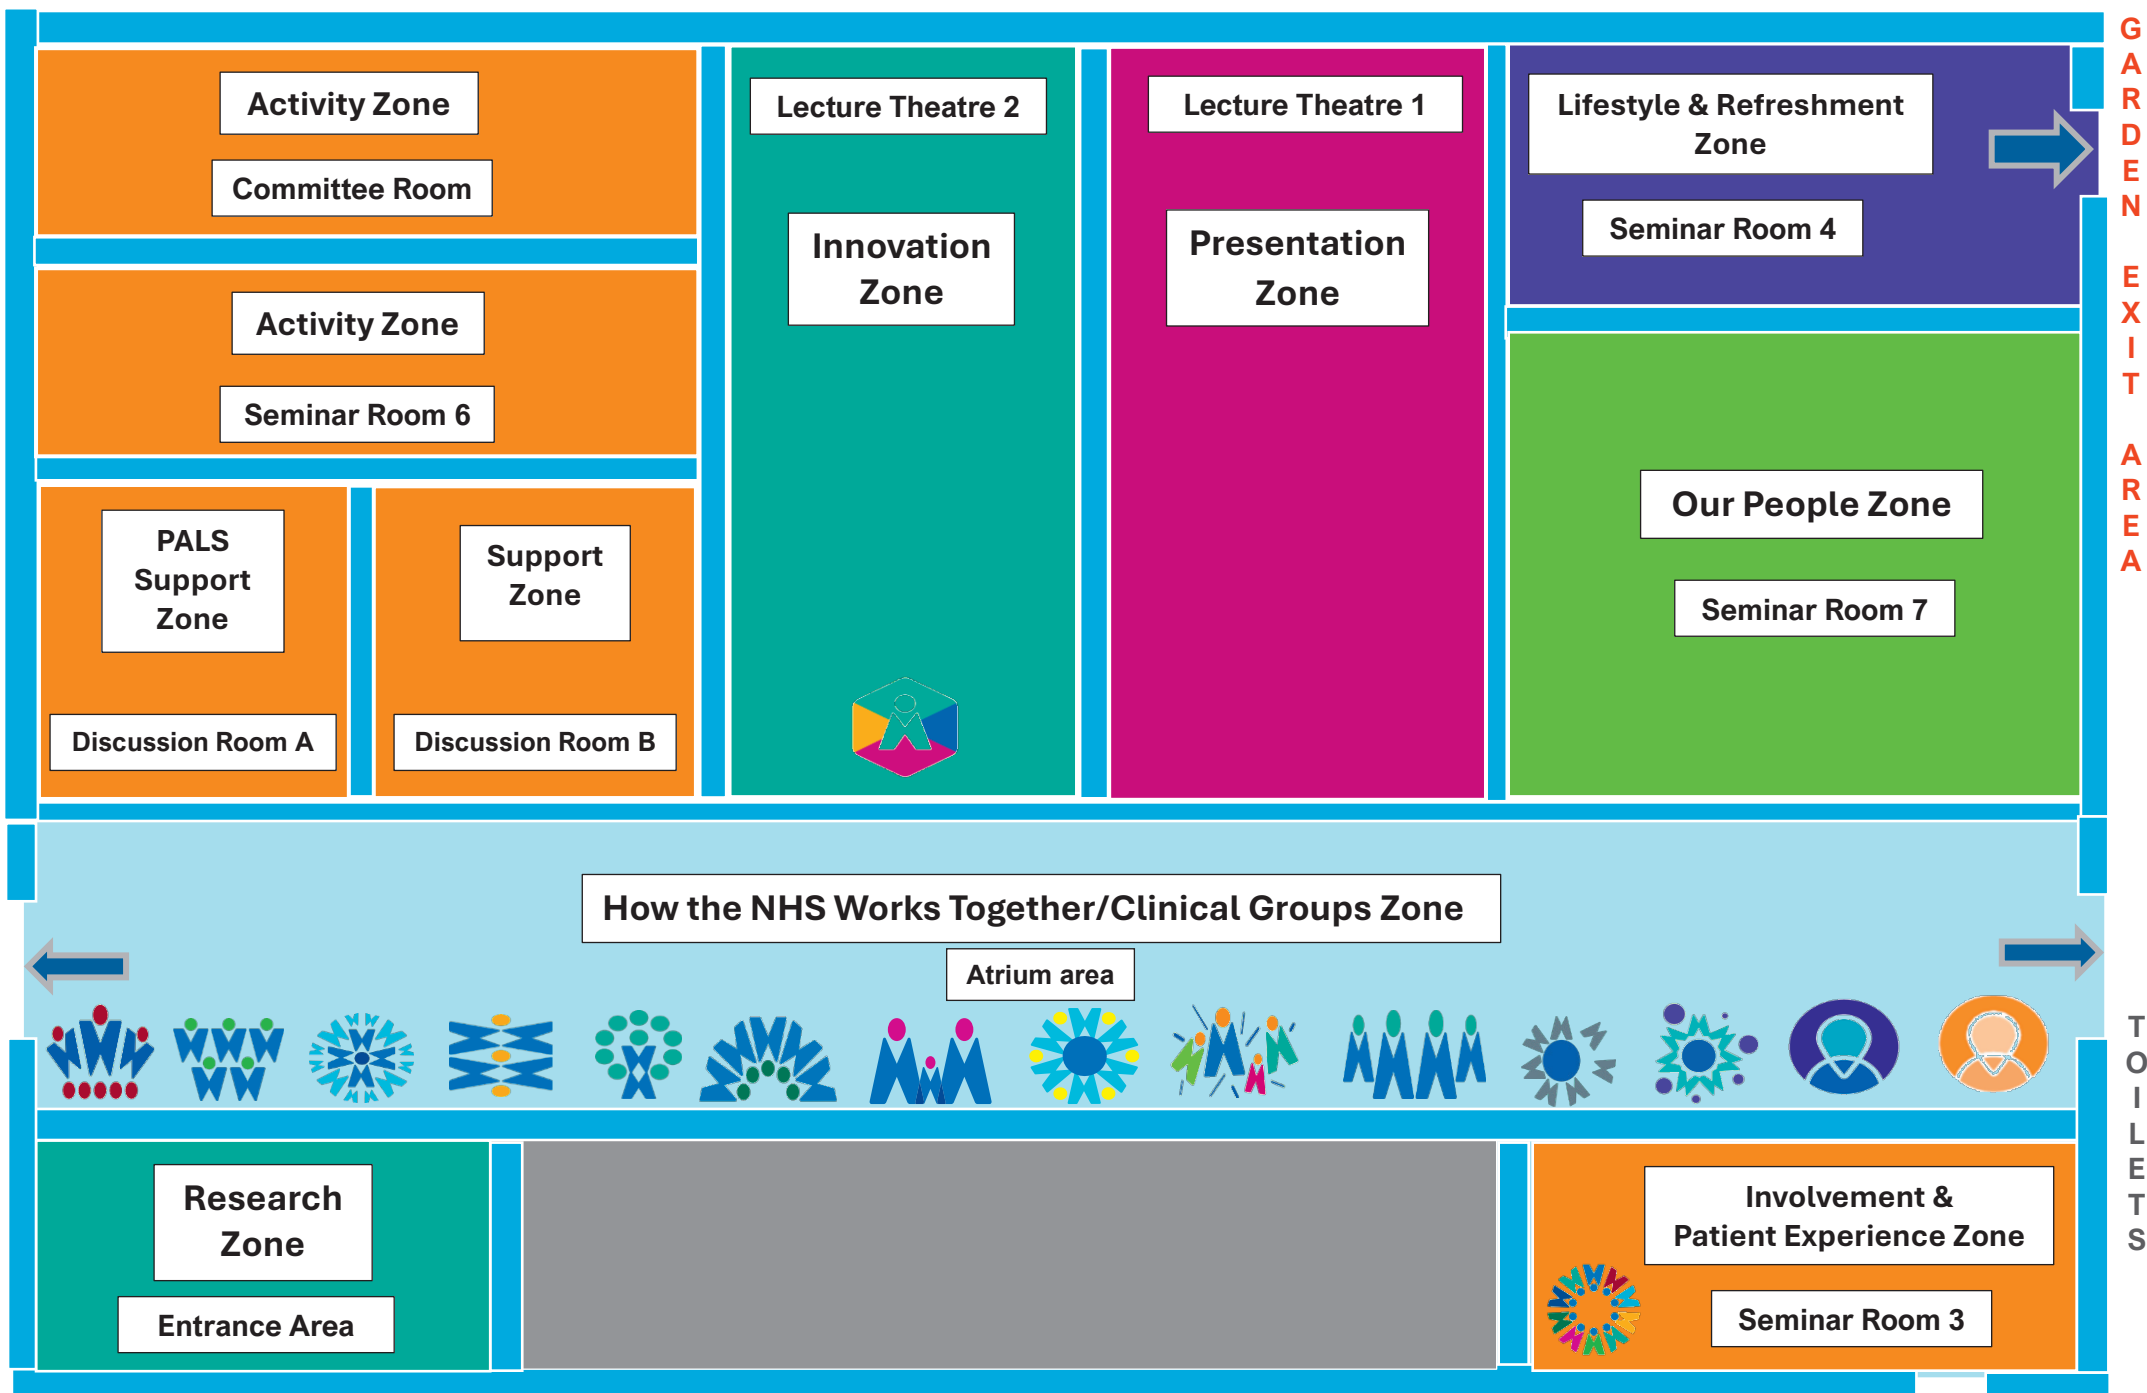

I would also encourage you to stay on after the formal part of the meeting to talk to our Directors and Governors – they are wearing coloured name badges for ease of identification. They are keen to hear your views on our hospitals and community services and to answer your questions.

Do please feel free to have a chat with them and visit our Membership stand to find out how you can get more involved in shaping the services we provide and developing our future plans.

Refreshments will be available throughout the afternoon, and if you need any other assistance or information, please ask a member of Trust staff or one of our volunteers. Thank you for your support and we hope you have a very enjoyable afternoon.

Kathy Cowell OBE DL
Trust Chair

Zones	Stand Names/Activities
