

Join us at the Annual Members Meeting 2026 and community health fair!

We welcome you along to learn more about your health and our progress and plans!

Come to our interactive fair and learn more about how we are transforming care for our patients and communities. You will have a chance to:

- meet clinicians and learn about our services
- take part in free health checks
- pick up practical health advice
- watch demonstrations and presentations
- discover more about digital healthcare
- learn about career and volunteering opportunities

...and much more!

Everyone welcome!

**Tuesday, 29 September 2026
12:00pm - 4:30pm**

Find us: Education and Research Centre,
Wythenshawe Hospital, Southmoor Road,
Wythenshawe, Manchester, M23 9LT

Our community health fair

This year you can meet with our care teams, learn about our services and take part in a range of checks and practical activities, including:

- Blood pressure checks
- Cardiovascular health assessments
- Prediabetes and cholesterol advice
- Fracture risk assessments
- Inhaler technique checks
- Vaccination and flu advice
- Falls prevention advice
- Breast and cancer screening information
- Vascular health awareness
- Advice on women's health and menopause
- Mental health and wellbeing support
- Advice on healthy living, self-care and prevention

You can just drop by on the day - but by registering, using the QR code below, we can answer any questions you may have and send you updates about this event and future opportunities.

How to get here

Education & Research Centre

Our Annual Members Meeting and Community Health Fair takes place in the **Education and Research Centre**. Enter directly from **Entrance 16** or follow the signs from any main entrance.
