

Annual Members Meeting and community health fair! 2026

Everyone's welcome! | Everyone's welcome! | Everyone's welcome! | Everyone's welcome!

Annual Members' Meeting – 2026

Tuesday, 29th September 2026 at 12.00pm - 4.30pm

Education & Research Centre, Wythenshawe Hospital, Southmoor Road, Wythenshawe, M23 9LT

On behalf of all my colleagues, I would like to welcome you to our Annual Members' Meeting and to emphasise how proud I am to be the Interim Trust Chair of this amazing organisation.

Today's event includes a 'Community Health Fair' and our thanks go to colleagues from across the Trust for providing the wide range of information available today and who would be delighted if you took some time to visit and talk with them. You can pick up some practical health advice, take part in activities and health checks to support you in staying well this winter.

A location plan showing where you can find the various stands and the different activities available today is inside this programme, with the agenda for the meeting being found on the back page.

No fire drill is planned for today, so if an alarm sounds, please follow the instructions of Trust staff and evacuate the building (follow the emergency exit signs and meet at the front of the building).

Throughout the Centre, stands are open to view from 12.00pm with presentations starting from 12.55pm in Lecture Theatre. You can hear from some of our clinicians about the services they lead including:

- Addressing Health Inequalities.
- Robotic-Assisted Surgery.
- Skin Analytics including AI Developments.
- Brain Health Centre.
- Learning from incidents, complaints and patient experience.

You can find out more about the Trust's performance and our plans for the future, these will cover:

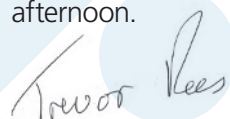

- Review of the Annual Report 2025/26.
- Highlights of the Annual Accounts 2025/26 and looking ahead in 2026/27.
- Membership Report.

At the end of the presentations, there will be an open forum, where you can put your questions to our Directors.

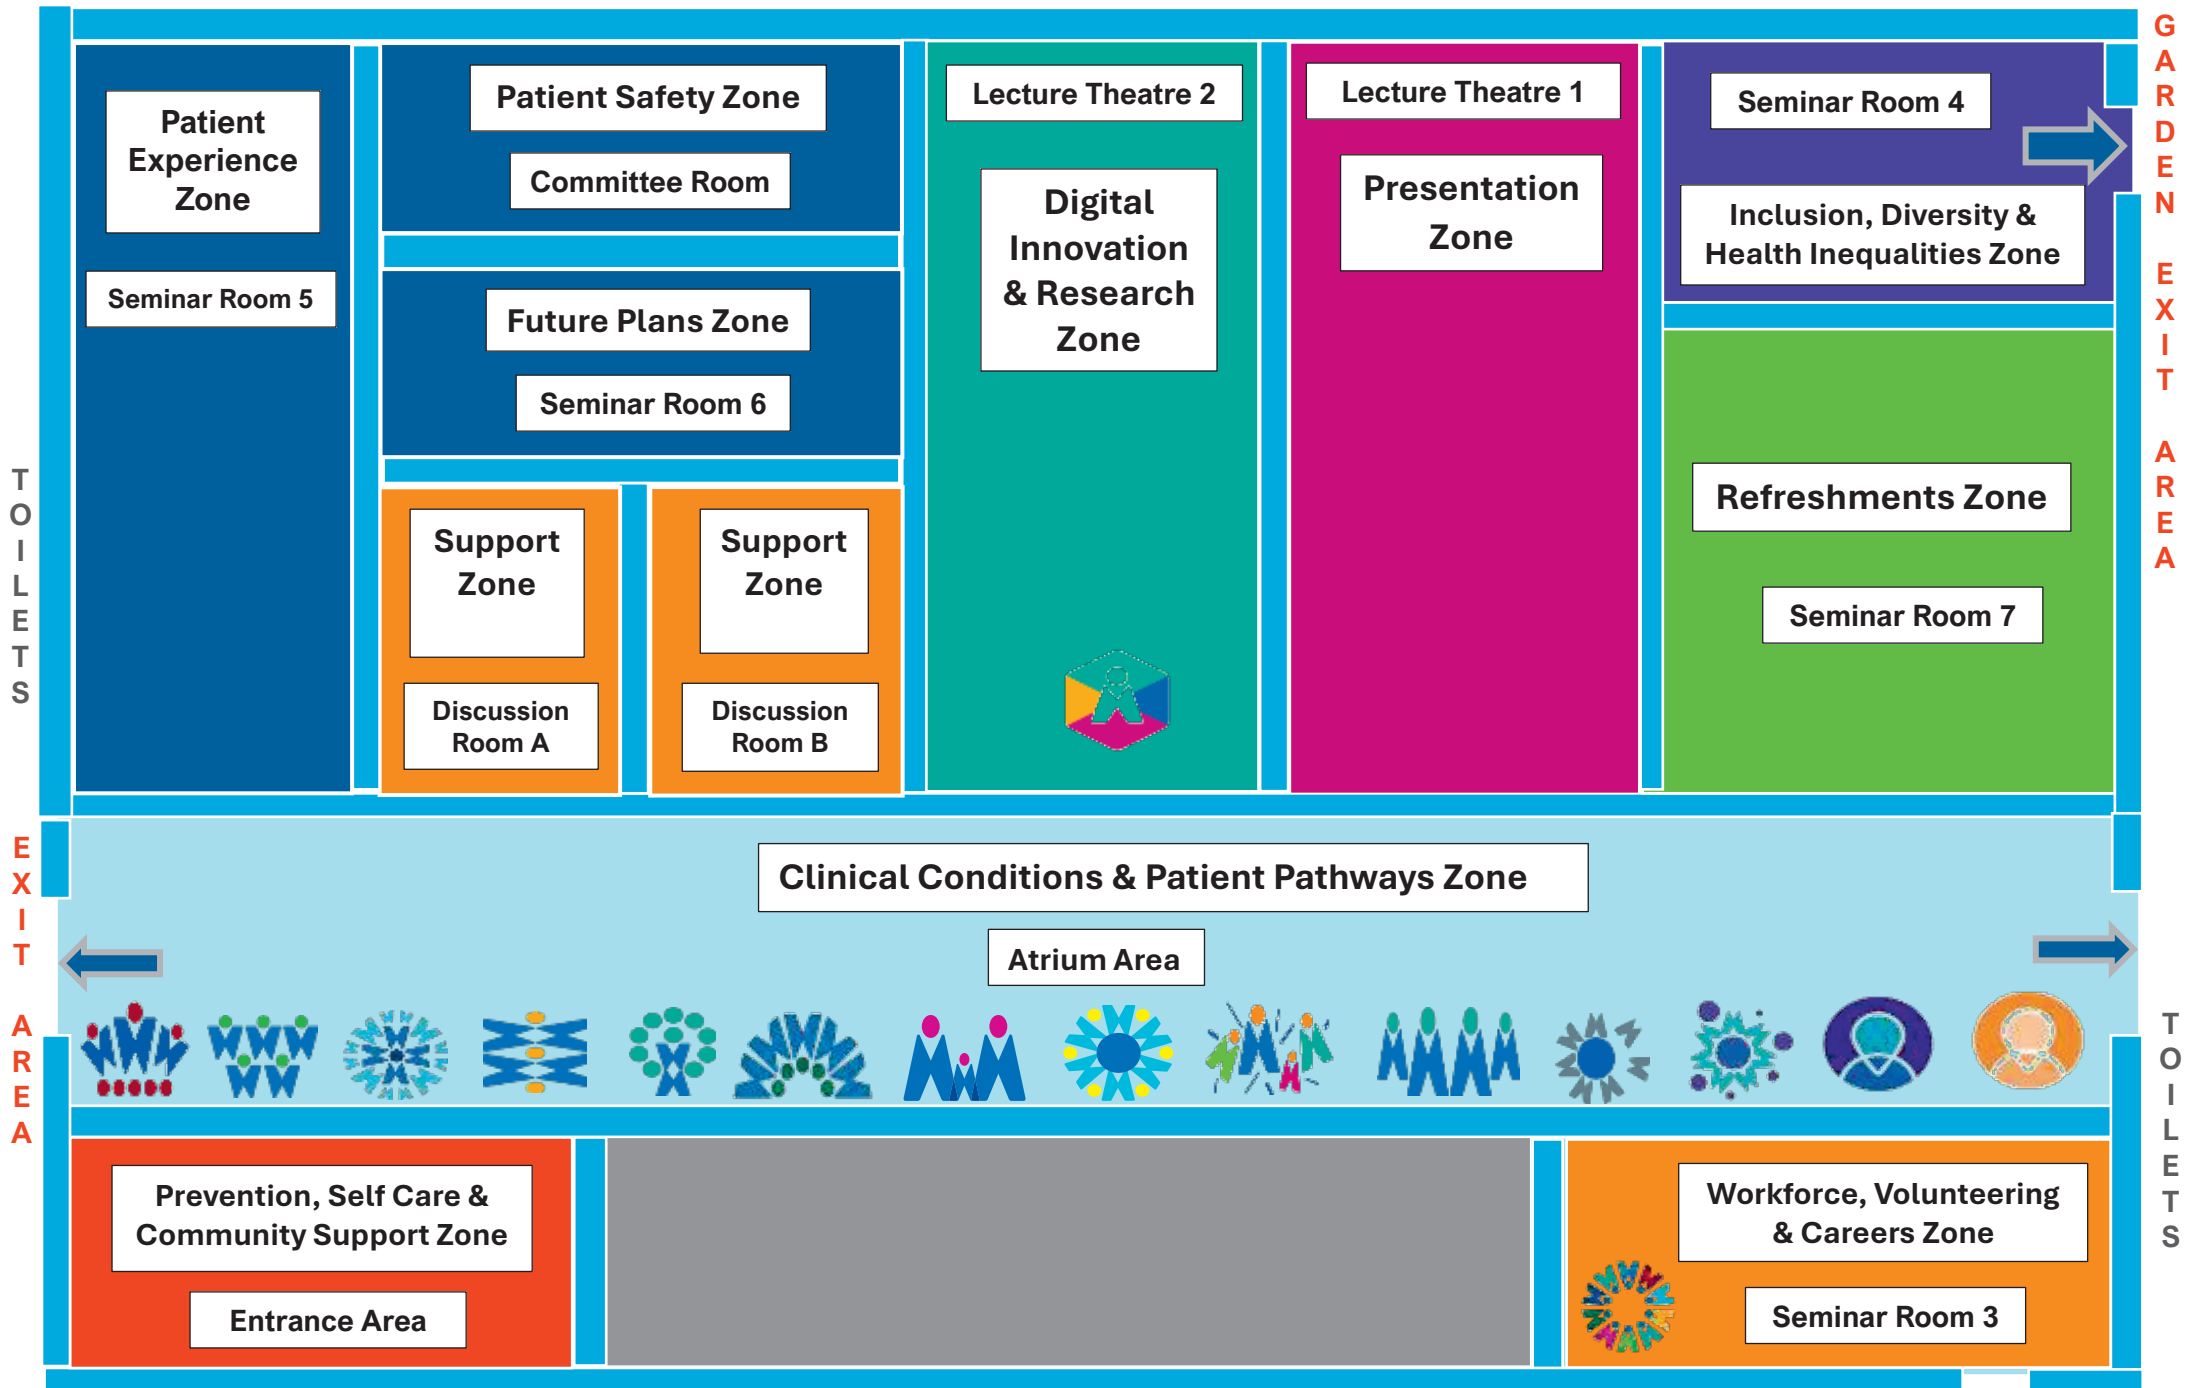

I would also encourage you to stay on after the formal part of the meeting to talk to our Directors and Governors – they are wearing coloured name badges for ease of identification. They are keen to hear your views on our hospitals and community services and to answer your questions.

Do please feel free to have a chat with them and visit our Membership stand to find out how you can get more involved in shaping the services we provide and developing our future plans.

Refreshments will be available throughout the afternoon, and if you need any other assistance or information, please ask a member of Trust staff or one of our volunteers. Thank you for your support and we hope you have a very enjoyable afternoon.

Trevor Rees
Interim Trust Chair

Zones	Stand Names/Activities
