Start

2) Select the person making the referral (you or the current care provider....) and click ok

The screenshot shows a medical software interface with a calendar grid. A dialog box titled "Requested By" is open, allowing selection of a provider. The dialog has radio buttons for "Me" (selected), "Current Providers", and "Other". Below these are fields for "Filter", "Department", and "Org Unit". A table lists providers with columns for Name, Role, and Org Unit:

Name	Role	Org Unit
Maczab, Dr Anita	Ordered	Cardiothoracic
Webb, Mr Kevin	Ordered	Respiratory
Sawyer, Richard	Ordered	Clinical Support

A red arrow points to the "OK" button at the bottom of the dialog. The background shows a calendar grid with dates from May 17 to May 16, and a sidebar with various filters and options.

3) Select referral and then add 'referral alcohol liaison'

The screenshot displays a medical software interface with a patient record for Xtestpatient, Julie. The main window is titled 'Order Entry Worksheet - Xtestpatient, Julie'. The patient's details include RM24265081 / OPTES... 5y8m (12-Aug-2011) Female and Allergies: Penicillin. The interface shows a grid for selecting tests, with columns for dates from May 17 to March 15. The 'Referrals' category is highlighted, and a list of referral options is shown, including 'Referral Alcohol Liaison - Standard', 'Referral Colorectal MDT', 'Referral Dietitian', 'Referral Infectious Diseases', 'Referral MDT Lung Cancer', and 'Referral MDT Mesothelioma'. A red arrow points to the 'Referrals' category, and another red arrow points to the 'Referral Alcohol Liaison - Standard' option. The interface also includes a 'Filters' panel on the left and a 'Submit Order(s)' button at the bottom.

4) once added click submit order. Easy 😊

The screenshot displays a medical software interface for patient management. The main window shows the 'Order Entry Worksheet' for 'Xtestpatient, Julie'. The patient's details include '4RKNEW - Kumar, Mr R Thursday', 'Allergy: Penicillin', and 'ADM: 04-Dec-2016 DSC'. The interface is divided into several sections:

- Options Panel:** Contains settings for chart selection, date range (04-Dec-2016), display format, filters, and display styles.
- Order Summary:** Lists various orders under 'Referrals' and 'Pathology'. A red arrow points to the 'Submit Order(s) for Xtestpatient, Julie' button at the bottom of this section.
- Order Entry Worksheet:** A detailed view of an order for 'Referral Alcohol Liaison - Standard - Standard Referral'. It includes fields for 'Requested By' (Macrab, Dr Anita), 'Date', 'Time', 'Type' (Standard), and 'Reason'. A list of available referral orders is shown, including 'Referral Alcohol Liaison - Standard', 'Referral Colorectal MDT', 'Referral Dietitian', 'Referral Infectious Diseases', 'Referral MDT Lung Cancer', and 'Referral MDT Mesothelioma'. The 'Submit Order(s) for Xtestpatient, Julie' button is highlighted with a red arrow.
