

Delivering your new hospital – car parking changes

Manchester University
NHS Foundation Trust

Patient and visitor Car Park 3 plus staff Car Parks 9 and 24 close permanently on 15th August.

Work is underway to transform our hospital site. While we build a new Multi-Storey Car Park & Cycle Hub and the North View adult mental health inpatient unit, we need to close areas of the site.

We are very sorry for any disruption to your journey, and to help reduce the impact please:

Allow more time for your journey

Park safely in a marked bay

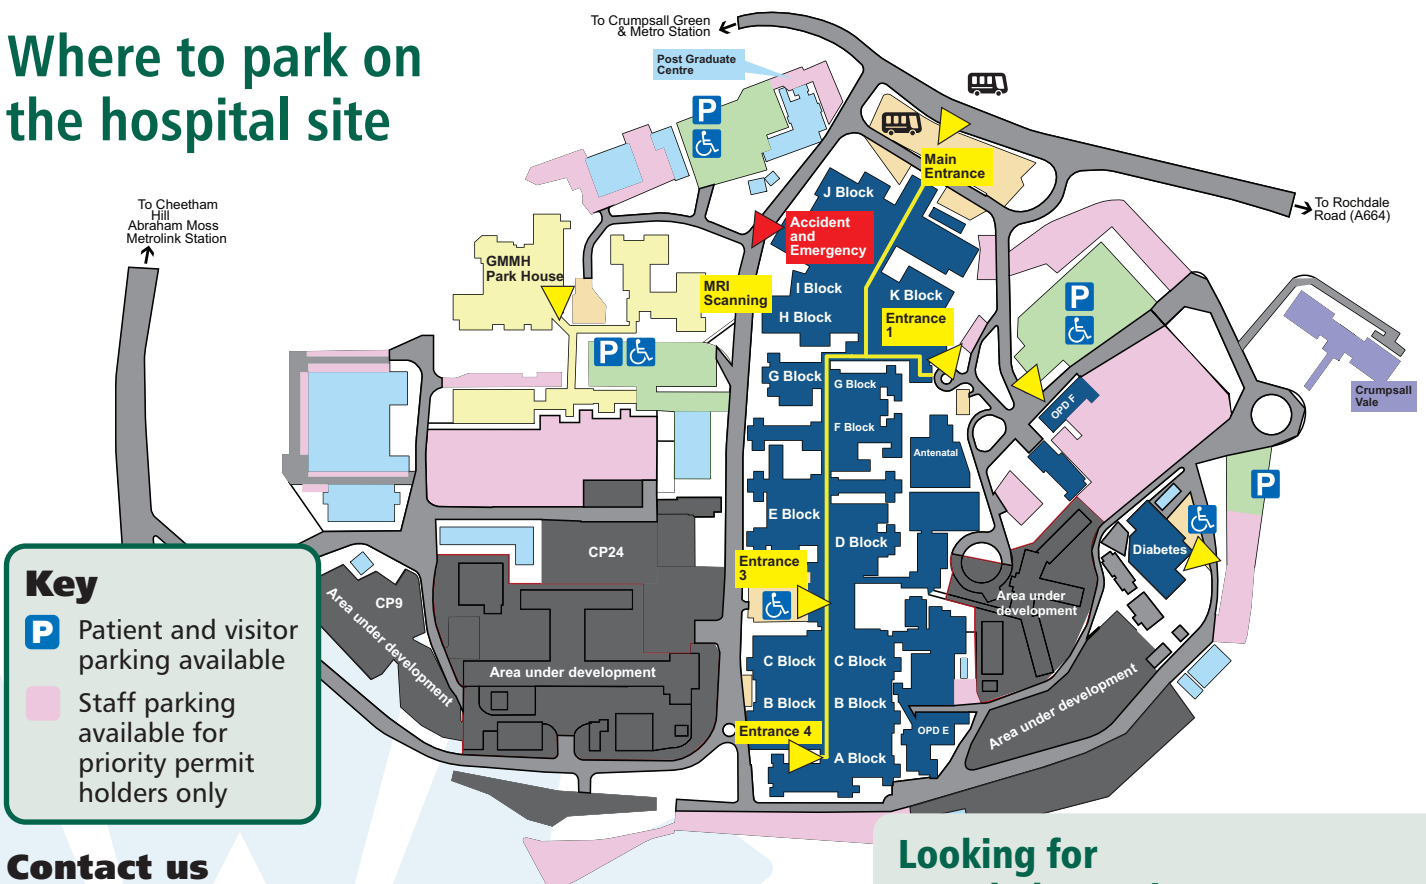

Use public transport if possible

Car share if possible

Where to park on the hospital site

Key

- Patient and visitor parking available
- Staff parking available for priority permit holders only
