

Manchester Royal Eye Hospital  
Orthoptic Services

Information for parents/guardians

# Childrens eye appointment journey

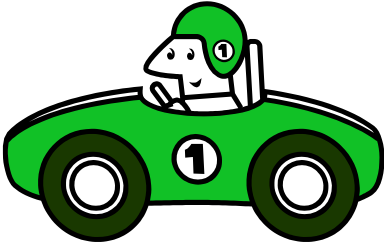

The postman will post your appointment letter to whoever looks after you.

## How will I get to the Eye Hospital?

You can drive to the Eye Hospital in the car.

You can get the bus or train.

## Welcome to Manchester Royal Eye Hospital

## Clinic H

Please go to Clinic H reception

## Waiting Area

In the waiting area you can:

- Use your mobile phone and portable games/tablets.
- Read books.
- Watch TV or a DVD.
- Draw or colour in pictures.

It might be busy and noisy, you can:

Play with other children in the waiting room and make new friends

You can ask for a pager and sit somewhere else

OR

Are there places to buy drinks/snacks?

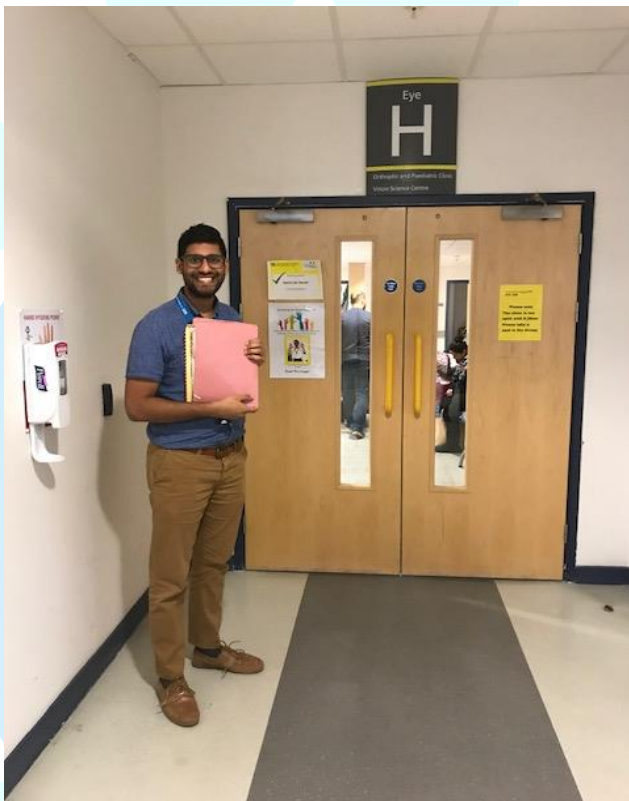

Yes, there is a café in the Eye hospital

There is also a shop outside the Eye hospital.

You might see one of our Orthoptists.

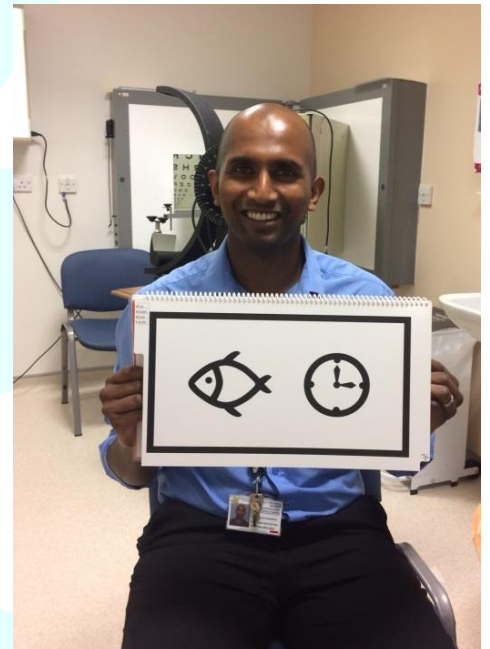

## Orthoptist

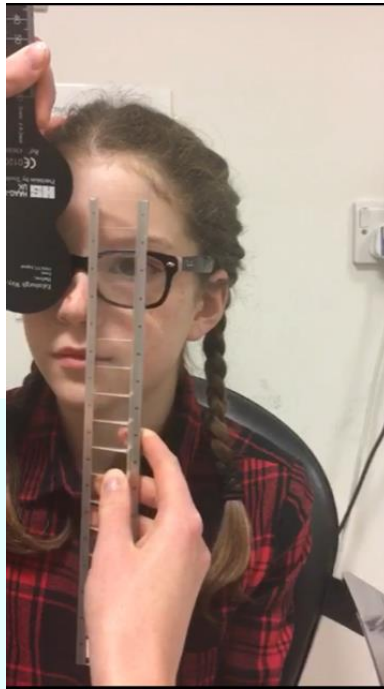

## Eye Test

We will check your vision.

We will check how well your eyes work together with different games.

## Nurse

You might see one of our nurses.

## Eye drops.

You may need eye drops

- They feel cold when they go in but if you count to 10 it will feel better
- They make the black part of your eye (pupil) **very** big and your eyesight a bit fuzzy
- This is so we can look inside your eye
- They will blur your vision for up to four hours

## Optometrist

When your pupil is **very** big you might see one of our Optometrists:

They will look in your eyes to see if you need glasses using a bright light.

## Doctor

You might also see one of our doctors

They may look at the back of your eye with a lens.

Or

Check your eye pressure.

## Home

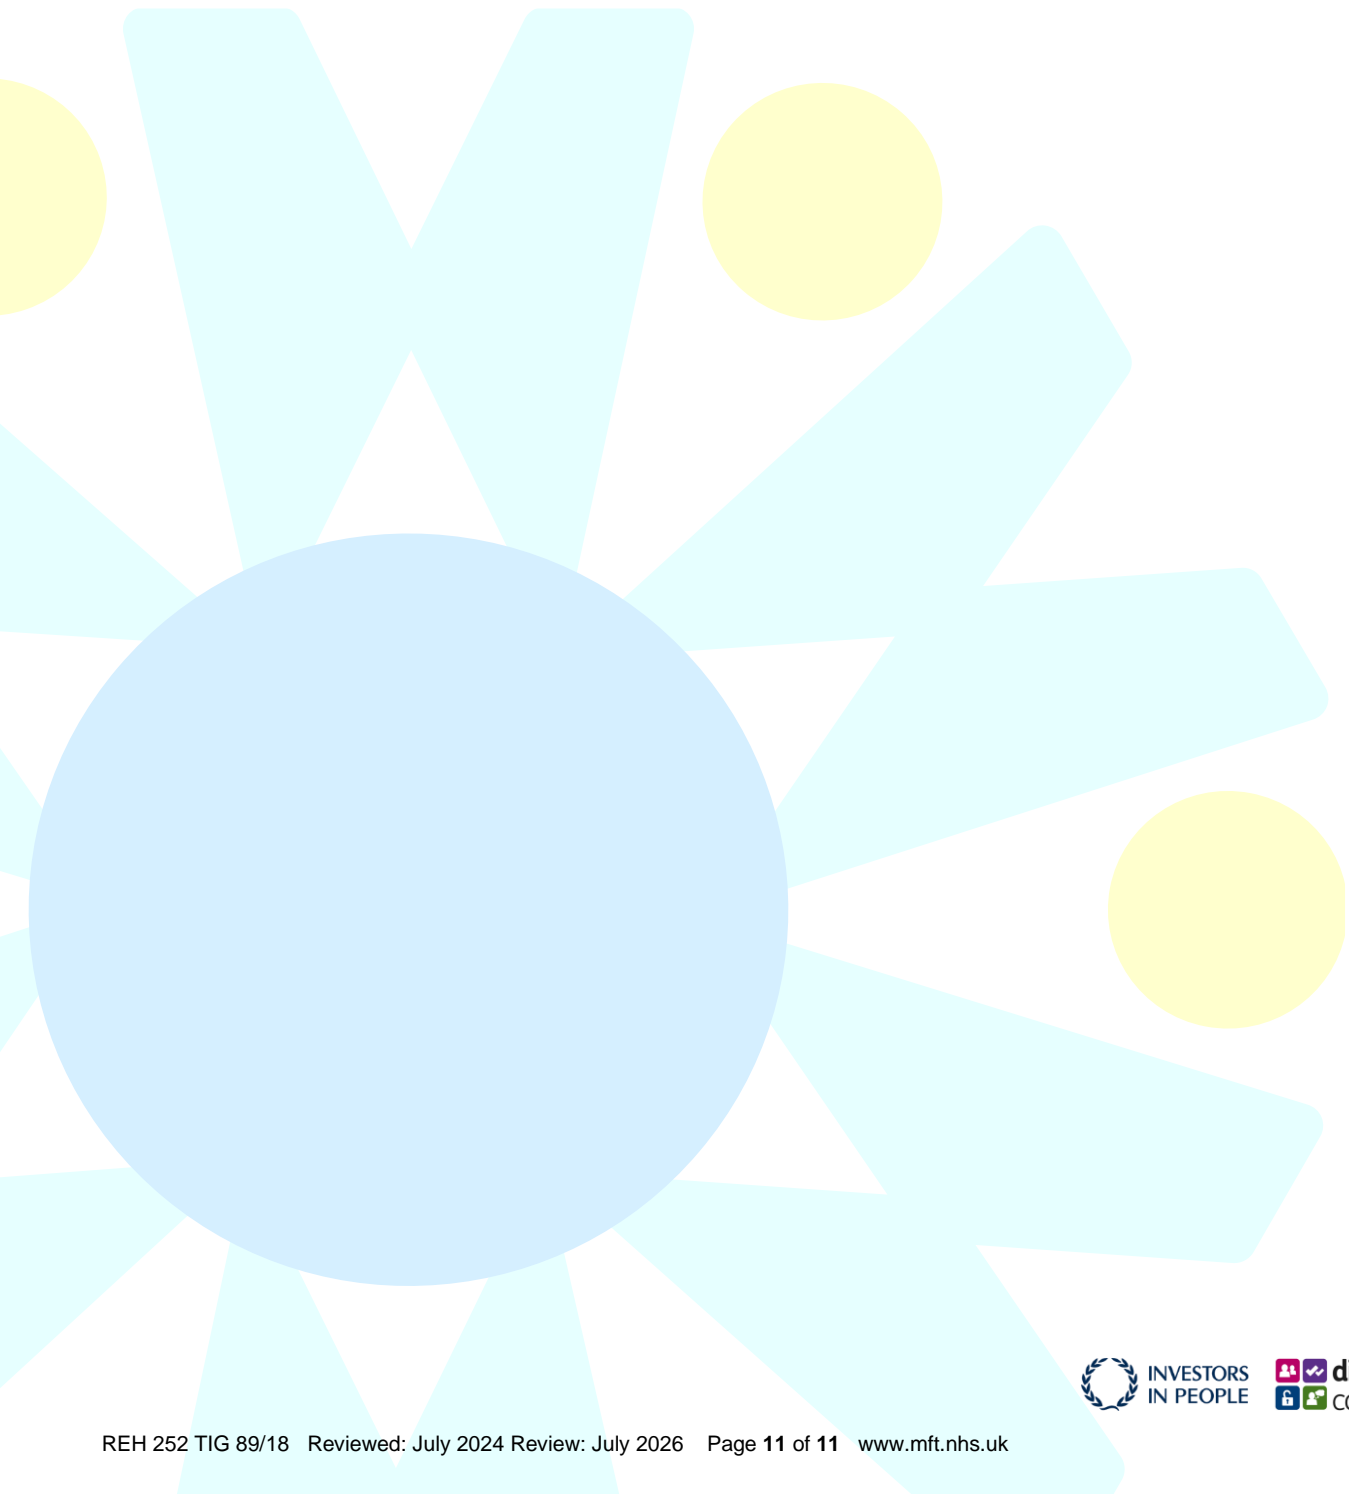

When you have finished you can go home.
