Paediatric Services

Information for Patients

A patient journey booklet for children attending University Dental Hospital Manchester

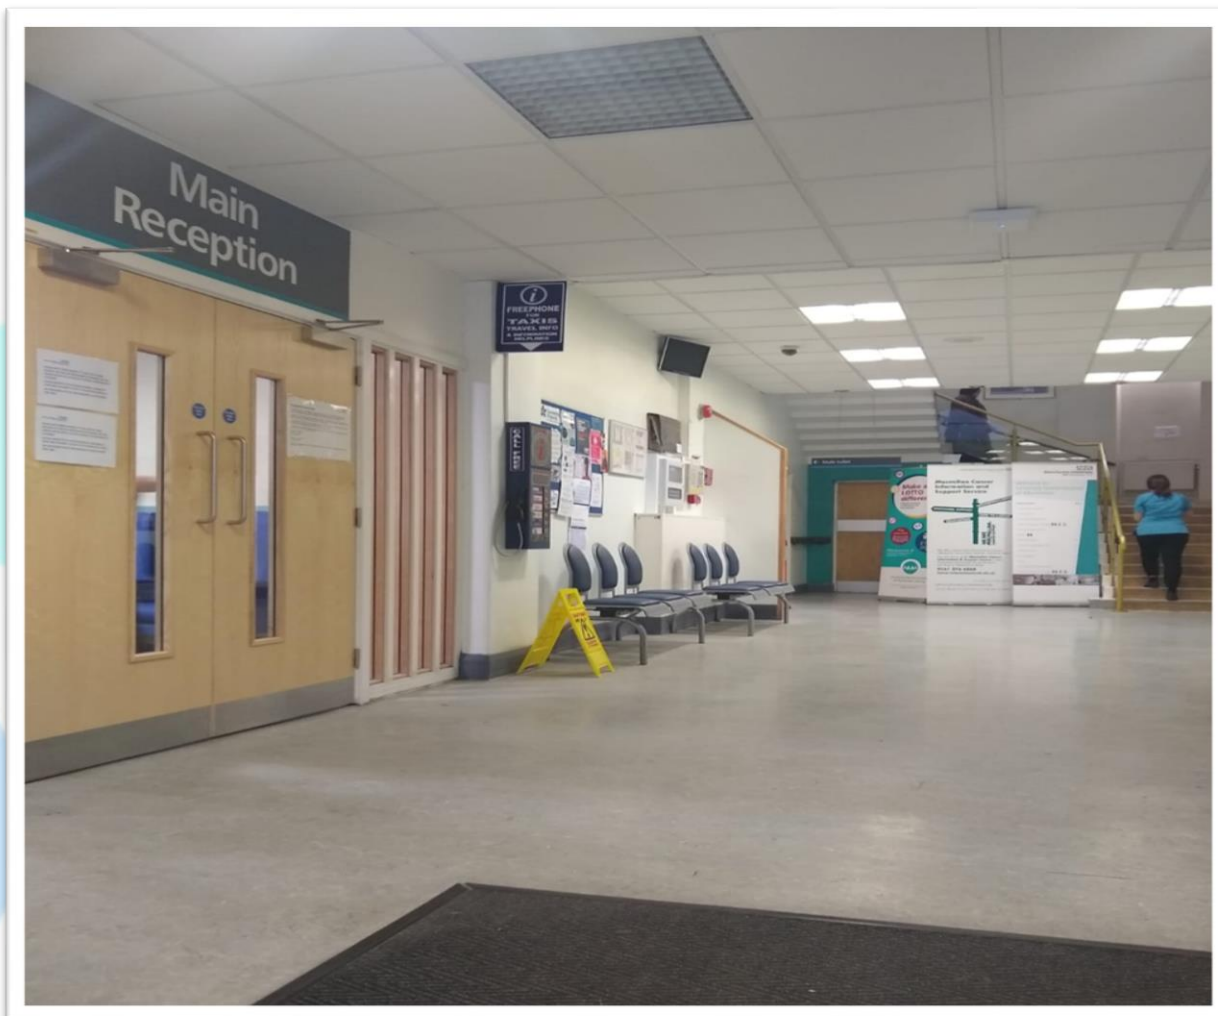

This is the Dental Hospital where we look after teeth!

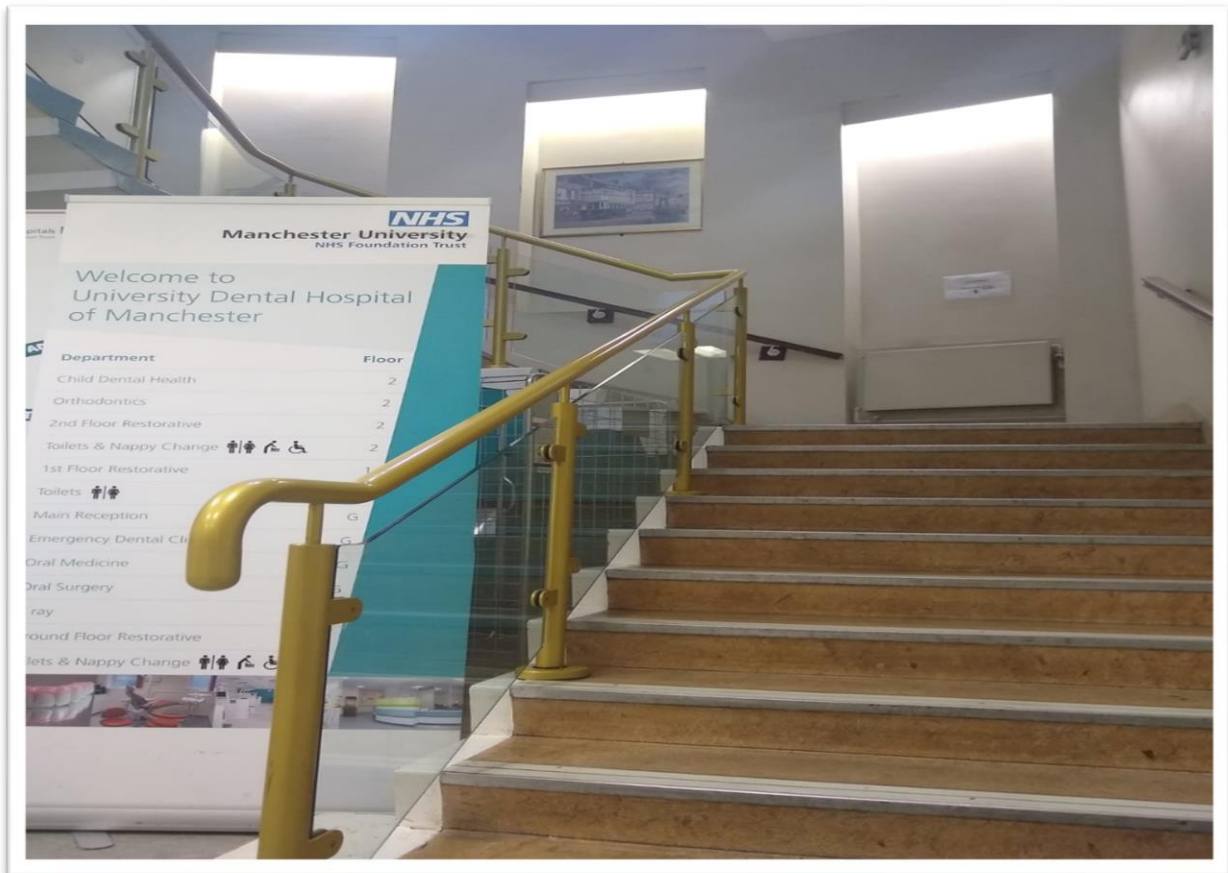

What colour are our doors?

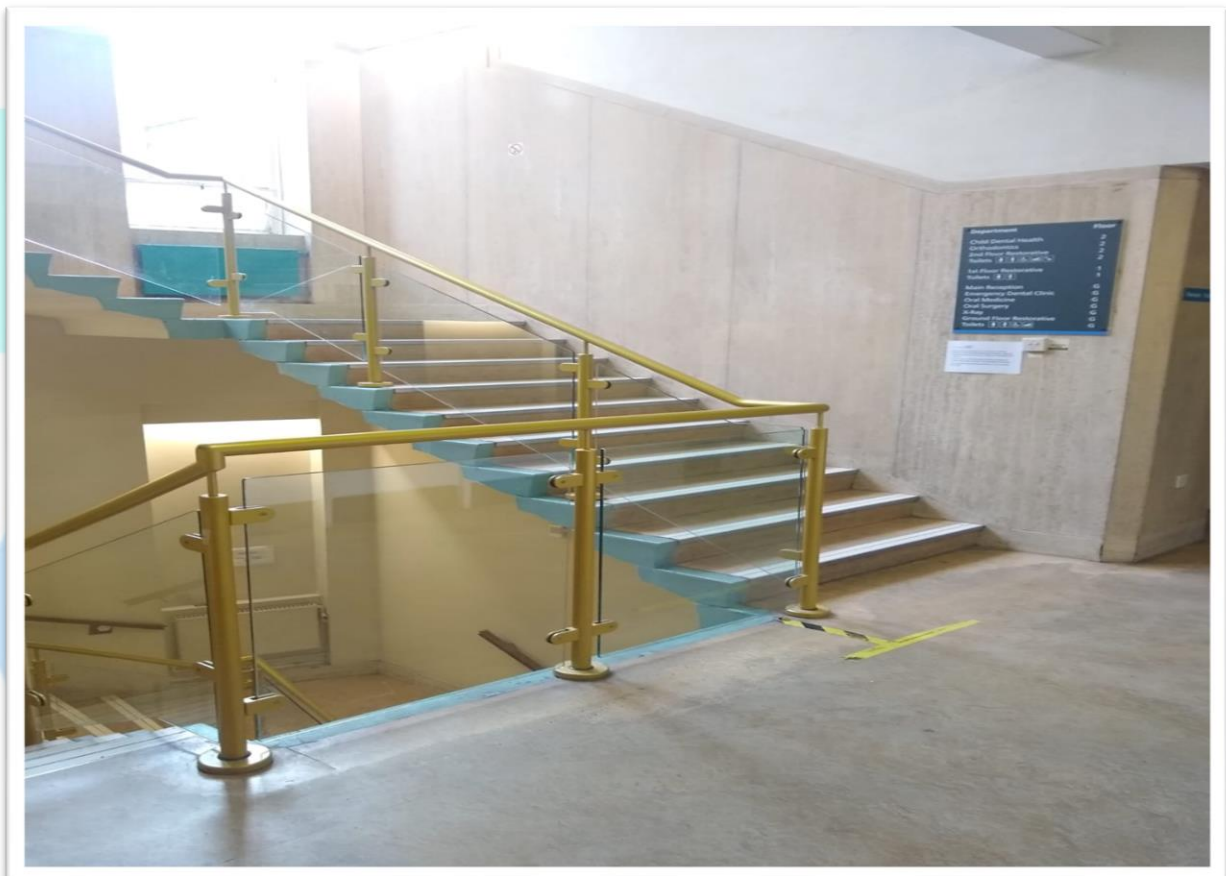

This is what it looks like when you walk through our doors...

You will walk upstairs to get to the Children's Department...

How many steps?

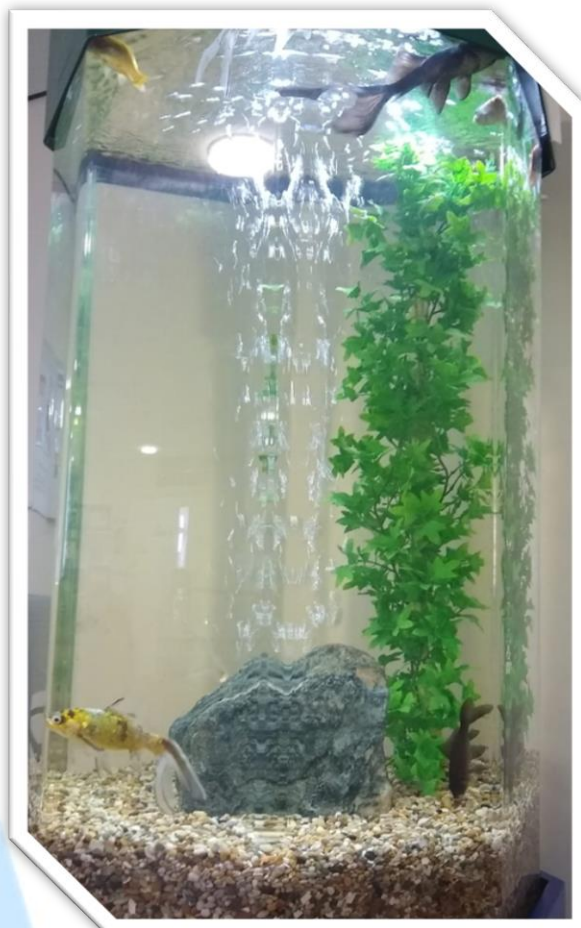

Welcome to the Children's Department

Through the doors...

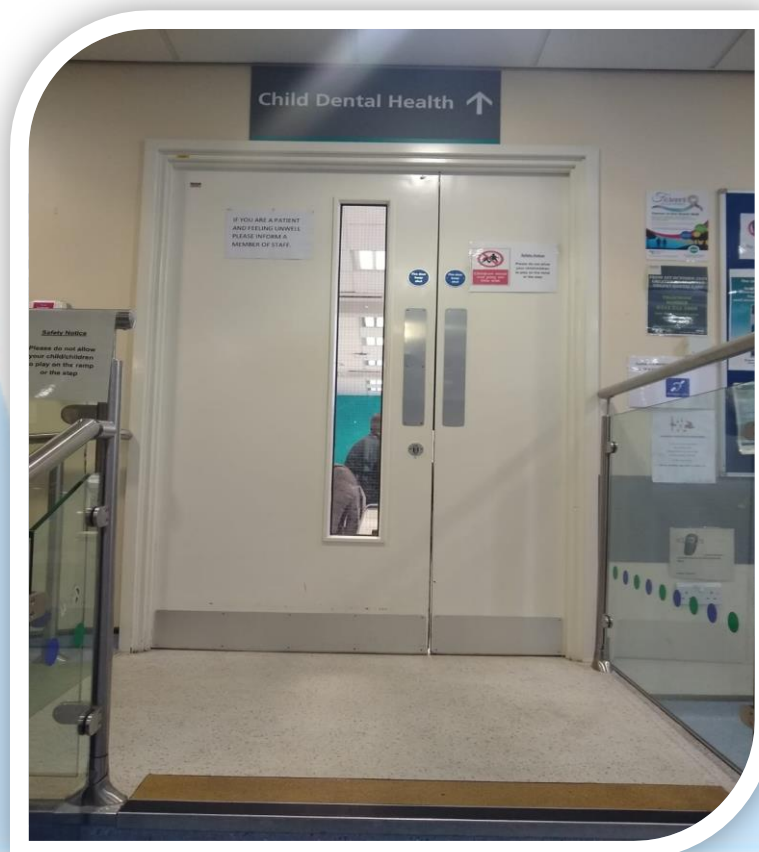

How many fish can you spot?

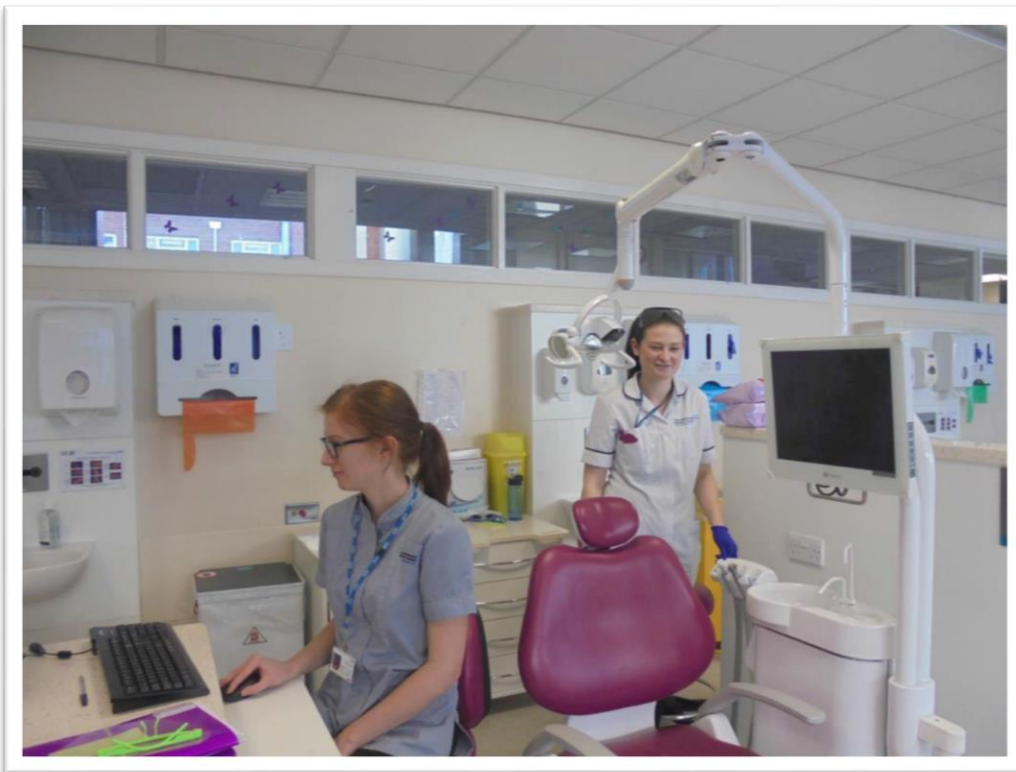

Take a seat! Watch some TV!

The Dental Nurse will call you and you will walk through this door to meet the Dentist...

You will meet the Dentist and their Dental Nurse...

Take a seat! We will chat to you about your teeth...

We will ask you to wear some sunglasses as our light is very bright then we will count your teeth using a mirror...

How many teeth do you think you have?
