

Annual Members' Meeting 2020

Continuing to Provide Outstanding Care for You

Tuesday 22nd September 2020 – Annual Members' Meeting Key Messages will be available to view online via our 'Annual Members' Meeting' webpage (see link below)

It is extremely important to us to keep our members (public and staff) alongside the wider general public safe therefore our Annual Members' Meeting will, this year, be available in a 'virtual' format in keeping with COVID-19 restrictions.

As part of this new virtual format, our Directors have produced a series of key messages which are available for members and the wider general public to view in relation to our 2019/20 Annual Report and Accounts alongside outlining our Plans for the Future. A Membership Report update is also available from our Governors (membership representatives) with the results of our 2020 Governor Elections/Nominations being made available.

The Trust Chief Executive and I would be truly delighted if you took the time to view these film-clips and:

- ★ find out how our Trust is performing
- ★ hear how we are responding to patient and staff feedback
- ★ learn more about our latest developments and future plans

The views and opinions of our members and the wider general public are really important to us in shaping the services we provide and help us to develop our future plans, and we would welcome your related feedback/questions via email trust.secretary@mft.nhs.uk or tel. 0161 276 4841, which we will respond to (where appropriate).

If you would like to take a look at our full Annual Report and Accounts in preparation of viewing the Annual Members' Meeting Key Messages (film clips), please visit our 'Report and Publications' webpage: <https://mft.nhs.uk/the-trust/reports-and-publications/>

I do hope you find this new way of engaging with us, as a positive step forward, during these unprecedented times, and with your participation/feedback, we will ensure that we continue to develop our hospitals and provide world class services for both adults and children.
